**Inspira LIFE. Living Independently For Elders.**

Inspira Health Network, a leading health care provider in southern New Jersey, is sponsoring an innovative program for older adults and their families called **Inspira LIFE.** **Inspira LIFE**, which stands for Living Independently For Elders, will serve older adults in Cumberland County and parts of Gloucester and Salem counties.

**Inspira LIFE** is a Program of All-inclusive Care for the Elderly (PACE). PACE programs offer an adult day health care program and many health care and social services. PACE programs like **Inspira LIFE** allow older adults with ongoing health needs to live independently at home, in their community. The program is available at no cost for eligible participants.
