Welcome

In an unprecedented year, your commitment to helping Inspira Health create a healthier South Jersey remained steadfast.

As an organization, we experienced a great amount of change as we focused on setting a clear path for Inspira's future with the announcement of our new strategic plan. As a community, we focused largely on uniting and recovering... from the COVID-19 pandemic, from the damage Hurricane Ida caused in our community, and more. Your support showed us that – despite the inevitable change and hardships that life may bring – you remain committed to improving the health of our community.

We welcome our 440+ new donors and offer our heartfelt gratitude to all of you who have helped Inspira Health Foundation raise a total of nearly \$2.4 million in 2021. Your giving is critically important to supporting the mission of Inspira Health – to providing a safe and compassionate experience that improves the health and well-being of our community.

We celebrate you, our Inspira Health Foundation donors, and thank you for having taken an active role in helping to guarantee that the highest quality care is available right here in your backyard. We truly thank you for your commitment to helping our South Jersey region.

We look forward to the day we can come together and honor you in person for supporting Inspira in providing high-quality health care in South Jersey. Thank you, again, for your continued support.

A handwritten signature in black ink, reading "Peter A. Kaprielyan".

Peter A. Kaprielyan
Senior Vice President and
Chief Development Officer

The Blueprint to Help Fuel Our Organization's Future

Looking Ahead with Inspira's New Multi-Year Strategic Plan

Strategic plans are blueprints for change that outline key areas of focus to help fuel our organization's future.

At Inspira, previous strategic plans have guided us to critical mergers and acquisitions, openings of new and expanded campuses and meaningful revenue growth – securing our foothold as one of the region's leading health care organizations.

As the health care landscape experiences significant changes, we must continue to evolve, as well. Our organization has taken an introspective look at its current state and where it can refine, refocus, and reimagine a sustainable path to growth.

2021

Inspira Health's new strategic plan marks the beginning of a pivotal moment for Inspira. It sets a clear path to deepen our clinical excellence, enhance quality and safety, and elevate the patient experience to build affinity with patients in our community by outlining the following five strategic domains of focus:

Quality/Clinical Excellence, Patient Safety & Experience of Care

Providing safe and compassionate care is at the core of our mission. We are committed to providing every patient with high-quality clinical excellence. These components are intertwined: improving clinical performance will not only enable us to elevate the quality and safety of our care, but also improve and sustain the patient experience across every department, at every moment.

Medical Staff & Physician Platform

At Inspira we are always looking for ways to expand and elevate our network to best serve the community – from new service lines, to new offerings, and even new geographies. One of our critical growth opportunities as an organization is through an expanded physician network. Our goal is to grow and deepen Inspira's Medical Staff, specifically via primary and specialty care, as well as independent and employed corps of physicians. As a bigger and greater medical team, Inspira can better leverage the value of medical staff and physicians across the network and increase their engagement.

Patient/Consumer-Centric Accessibility and Convenience

The patient experience is the cornerstone of our work, and it is also key to building affinity and loyalty with our patients and the larger South Jersey community. By matching – or exceeding – patients' expectations, we can further engage with them, building relationships and increasing loyalty across the network. We will evaluate how patients interact with Inspira, so we can better understand a patient's journey and enhance how we meet their expectations.

Talent Acquisition, Development & Retention, Cultural Engagement

Inspira's greatest asset is our people. To strengthen our employee culture and be a preferred place to work, we will refine the way we approach talent acquisition, development, retention, and engagement. Our goal is to establish and promote a supportive, inclusive culture focused on developing employees by building strong, dynamic teams while helping employees reach their personal and professional goals. By creating new ways for how we partner with our employees, Inspira can foster new and emerging leaders to support the future of the network.

Population Health Management and Community Health

Our responsibility to deliver safe, high-quality care extends beyond our network walls to our broader South Jersey community. This domain is intended to address this need head-on – to help us identify the needs of our community and design our population health management programs to meet them. By better understanding the community's needs, we can provide resources that support a healthier population through wellness, prevention, and disease management. This will enable us to refine our existing framework to better improve the health and wellness of our community members.

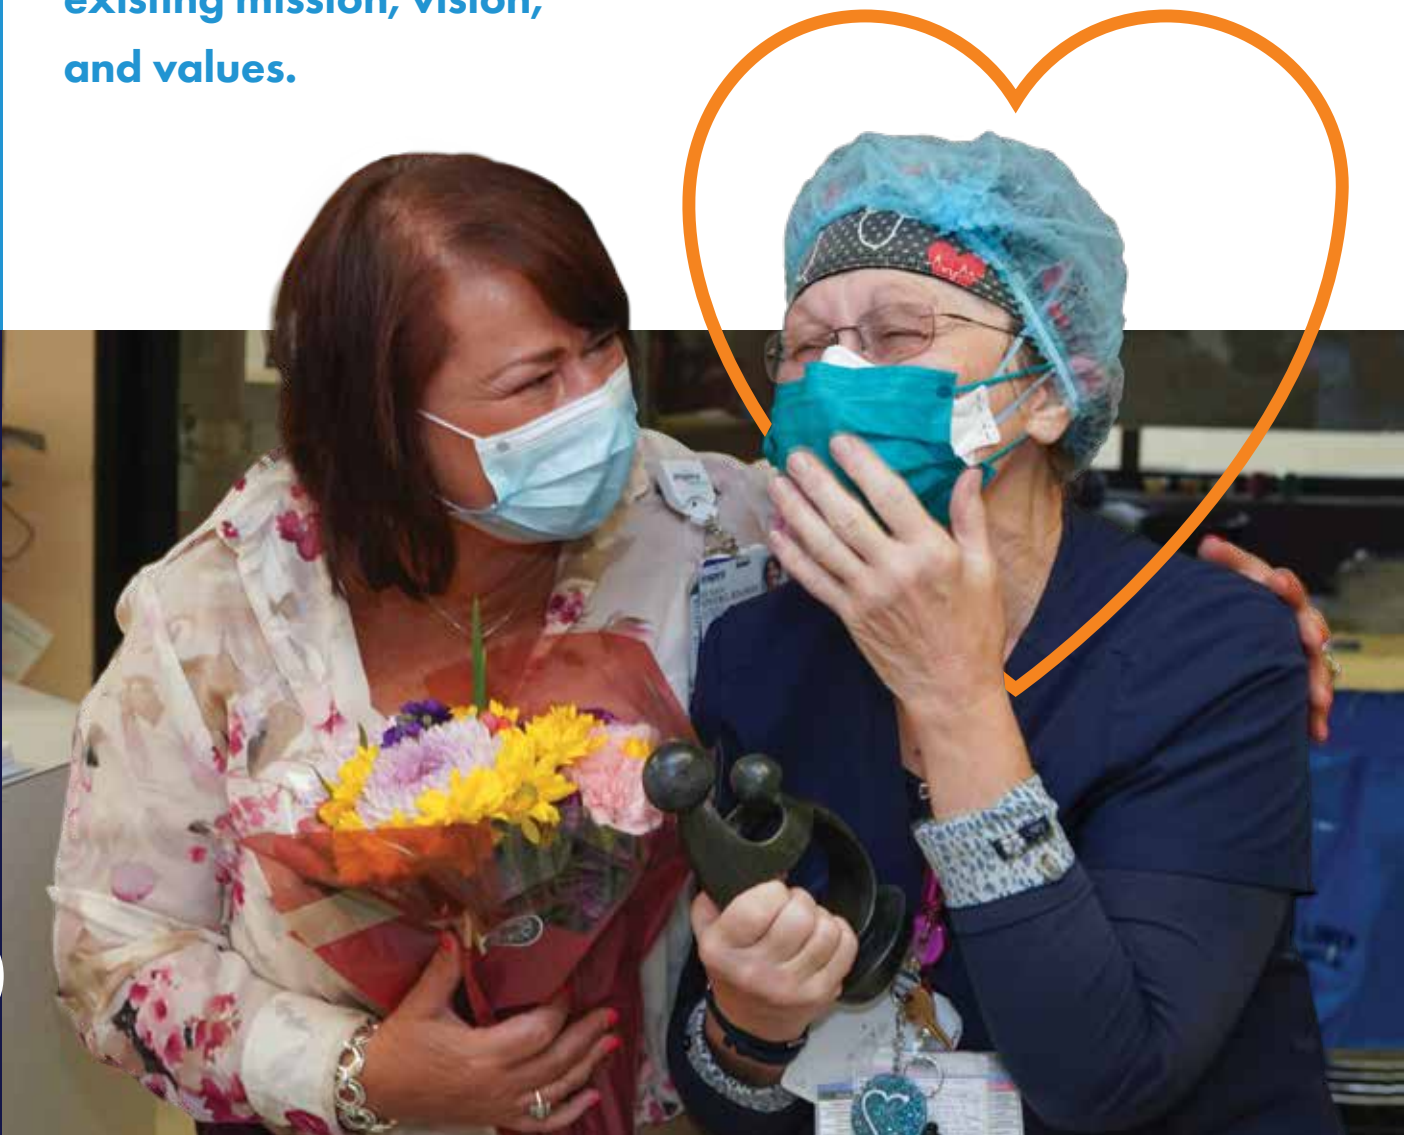

Reigniting Passion

The mission, vision, and values of an organization are the foundation of what its employees do every day.

With a new strategic plan developed, it was time for Inspira Health to reassess and re-evaluate our existing mission, vision, and values.

We asked employees to provide feedback about their perception of the organization, reviewed our history, studied best practices, and considered regional and national health care statements. We have now established mission, vision, and values statements that better reflect the current and future state of Inspira.

20
21

The new mission, vision, and values will realign and reignite our organization's passion to provide quality care and a high-level patient experience, while uniting all of us – regardless of campus, service line, unit, shift, or department – under these core principles. They are designed to inspire us and center every team member around a redefined common purpose.

OUR MISSION

To provide a safe and compassionate experience that improves the health and well-being of our community by placing the safety of our patients and support of our employees at the center of all we do.

OUR VISION

Inspira Health inspires and empowers healthier communities by creating the highest quality and most desirable patient experience in the region.

OUR VALUES - I.C.R.E.A.T.E.

Innovation: We strive to employ ingenuity and new standards of care to improve our work every day.

Compassion: We treat everyone equally with kindness and respect.

Reliability: We put the safety of our patients, compliance, and best practice at the forefront of all we do.

Empathy: We listen and genuinely relate to others in order to make them feel seen and appreciated.

Access: We provide a high-quality patient experience to all people.

Teamwork: We collaborate and utilize the full breadth of the Inspira network to improve the experience of our patients.

Empowerment: We educate and inspire positive change and healthier long-term outcomes.

Launching the Cardiac Campaign

Heart disease is the leading cause of death in the country, causing one of every four deaths. The most common type of heart disease is Coronary Artery Disease, which is caused by the build-up of cholesterol and fatty deposits inside the arteries that can block, clog, or damage the arteries and limit or stop blood flow to the heart.

Each year, about 600,000 people in the United States undergo a percutaneous coronary intervention (PCI), a procedure that opens blocked coronary arteries and restores blood flow to the heart without open-heart surgery. A PCI can be performed in an emergency, but also in an elective setting, as a preventive procedure in the case that your cardiologist suspects you have heart disease.

In February 2021, New Jersey Governor Phil Murphy signed a bill enabling the Department of Health to license community hospitals to provide full-service PCI. This long-awaited legislation has opened the door for Inspira Health to make elective PCI available to many who previously did not have access to this vital service in their own community.

Now, Inspira can elevate its existing cardiac expertise and infrastructure to provide additional cardiac treatments for greater patient outcomes.

The All Heart campaign is a network-wide effort to elevate Inspira's cardiology services and provide a high-quality patient experience to all community members. With your philanthropic support, our team will be able to expand Inspira's breadth of cardiac services across our system to ensure community members have access to life-enhancing – and often life-saving – care close to their homes.

The Inspiring Story of Jeff & Valerie George

Three years ago, Valerie's husband, Jeff, was simply not acting like himself. "Generally, he was awake by 5:00 a.m., working out early, running off to work by 7:00 a.m., and back home at about 8:00 p.m. – so I was concerned when he was sagging a bit, too tired to do activities he used to relish. I was certainly not used to seeing him lying on the couch in the afternoon. This was a man who was 44 years old and ran 100 miles a month."

Valerie kept a close eye, and her instincts were on target. Valerie compelled Jeff to seek help and he did, ultimately undergoing a stress test that revealed a 99% blockage. Dr. Kurt W. Kaulback, Clinical Director of Cardiovascular Services for Inspira Health, performed an angioplasty and Jeff George was temporarily out of the woods.

Jeff & Valerie George

"I was alerted the stent procedure was a temporary fix, and when symptoms began to resurface, I underwent triple bypass surgery and an intense cardiac rehab process," said Jeff. "Frankly, I was incredibly fortunate. I underwent the angioplasty procedure at Cooper because I couldn't at that time at Inspira – and if time was an issue, outcomes might have been different. So, when elective angioplasty delivered by skilled professionals in a state-of-the-art setting became an opportunity for Inspira Health, I jumped on board to help in any way I can. The preservation of life is a sobering, ambitious, and precious trust. It is wonderful to place it in the hands of the people at Inspira."

Thank You

This year has been one of great change for our organization, but you remain steadfast in your dedication to the health of our patients and community. Thank you.

Your philanthropic support is critically important to supporting the mission of Inspira, and is the catalyst to amplify our impact.

Our responsibility as a high reliability organization (HRO) to deliver safe, high-quality care extends beyond our network walls to our broader South Jersey community. The health care needs of South Jersey are changing, and because of that, so are we.

Donors are a vital part of our Inspira Health family. Your philanthropy allows us to pivot and make high-quality health care a reality for our community – for all those who depend on Inspira to deliver life-enhancing, and often lifesaving, care close to their homes.

I am honored to recognize the following Journey of Life society members in the pages that follow. Your unwavering support and leadership are helping our nonprofit health care organization create a healthier South Jersey community.

On behalf of myself and all leaders at Inspira, thank you for your dedication and commitment to Inspira Health, our patients, and the South Jersey community.

Amy B. Mansue
President & CEO

The Journey of Life is a passionate and committed group of supporters made up of patients, physicians, employees, corporations, foundations, and community members who have created a lasting impact on the health care of our community. Their philanthropic leadership improves the lives of all Inspira Health serves and ensures our South Jersey region has all its health care needs fulfilled.

The Inspirator Society is Inspira Health's annual giving society that proudly recognizes those who have given a charitable amount of \$250 or more to any fund within the calendar year (1/1/2021 – 12/31/2021).

Launching of a New Website

In late 2020, Inspira Health launched a new website to provide an all-encompassing virtual experience to better serve the needs of prospective and current patients, referring physicians, and other important audience segments.

In late 2021, the Foundation joined the network's website to increase awareness and visibility of the Foundation, while streamlining content.

Signature Events

The annual Golf Classic at Tavistock Country Club and the Golf Tournament at Seaview Hotel & Golf Club, both presented by Archer Law, gave our most loyal supporters the opportunity to enjoy a day of golf and friendly competition. The funds raised by both outings help Inspira provide the highest-quality health care to those living in our region. The Golf Classic, held in May at Tavistock, exceeded expectations by raising over \$215,000 and the Golf Tournament, held in September at Seaview, also surpassed its established goal by raising more than \$250,000 to support the health and wellness of South Jersey communities.

Deborah F. Sager Neonatal Intensive Care Unit (NICU)

In February 2021, a local mom went into premature labor...with triplets! Ready for anything, the Deborah F. Sager Neonatal Intensive Care Unit (NICU) team came together to ensure the safe and successful delivery. They resuscitated the triplets and then successfully cared for the siblings until they were ready to return home with their parents. In 2021, more than \$400,000 from Inspira Foundation's Deborah F. Sager Memorial Fund was allocated for new beds, BiliCocoons, and other equipment to improve comfort, safety and healing in the Deborah F. Sager Neonatal Intensive Care Unit at Inspira Medical Center Vineland.

Honoring Inspira Health's most loyal donors, the Perennial Society recognizes those who support Inspira consecutively within each calendar year (1/1 – 12/31). Gifts of all sizes and to any area of Inspira Health are recognized.

A History of Leadership & Generosity

Longtime members of the Inspira Family and of Gloucester County, Dr. and Mrs. Glenn Dragon have a long history of leadership and generosity. Dr. Dragon is the Chairman of the Department of Anesthesiology and has served as President of the Mullica Hill Medical Staff for several years. He was an ex officio member on the Inspira Health Foundation Board of Trustees, as well as on the Inspira Hospital Board of Trustees. Together with his wife, Gail, they even served as co-chairs of The Gala on two occasions.

The two came to the Inspira Health Foundation team this year interested in making a gift to Inspira, in honor of the many years they were privileged to be part of this organization. In 2021, they made a generous pledge to Inspira Health Cardiac Care – marking the first official gift to the upcoming "All Heart" campaign.

Thank you, Dr. and Mrs. Dragon, for your continued leadership and support.

Inspira Family is "ALL in!"

Gifts from members of our Inspira Family are particularly meaningful because they send a resounding message from those who know Inspira best – they demonstrate to colleagues, patients, and the community that our employees truly believe in the mission of Inspira Health.

In 2021, more than 900 members of the Inspira Family supported our non-profit health care organization, raising a total of \$430,000. This support shows that our members of the Inspira Family are genuinely invested in the kind of organization Inspira is and what it can be.

Of those 900 employee donors, 515 participated during the 2021 "ALL in!" Employee Giving Campaign, which runs annually from the first week of September – Giving Tuesday.

Thank you, Inspira Health employees, for going above and beyond to support the development of our non-profit health care network.

”

I participate in the employee giving campaign because I know that my personal contribution provides help to meet the bigger needs of Inspira!

*- Adrienne Goldsboro,
 Social Worker, LIFE*

”

I am proud to support Inspira Health Foundation through my efforts as both a donor and a Team Captain of the Employee Giving Campaign.

I encourage my colleagues to give because it's by coming together that we truly make a difference in our patients' lives and the communities we serve. I believe in what Helen Keller said, "Alone we can do so little; Together we can do so much!"

*- Beth Elwood,
 Administrative Coordinator,
 Cancer Services*

”

We work for an organization that helps the sick and injured day in and day out. Participating in the Employee Giving Campaign allowed me to help others in a different capacity! Knowing that we had the opportunity to bring assistance to those in need, inspire others to pursue a career in medicine, and bring new technology to our departments instills a tremendous amount of pride and accomplishment!

*- Jeremy Plache,
 EMS & Ground Transport*

In the history of giving to Inspira Health, planned gifts have become a significant source of philanthropic support. Planned gifts allow donors to make a meaningful impact today toward our community's healthcare needs of tomorrow. To recognize those who understand the important legacy a planned gift creates, Inspira Health Foundation established the Heritage Society. Your far-sighted generosity benefits the community we serve and helps sustain Inspira Health for generations of growth and medical advancements.

Please let us know if you've made a provision in your estate plan to support Inspira Health. We would be honored to recognize your generosity as a member of the Heritage Society.

Planning Today, Impacting Tomorrow

Did you know you can arrange to support Inspira Health Foundation today, and have the contribution allocated at a future date? Commonly known as planned or legacy giving, these gifts are often donated through a will or trust and granted once the donor has passed away. Planned gifts allow donors to make a meaningful impact today toward our community's healthcare needs of tomorrow.

To learn more about legacy giving, visit InspiraFoundation.org/PlannedGiving

Calendar Raffle

Sponsored by the Inspira Health auxiliaries, the 2021 Calendar Raffle was the most successful one hosted to date, with tickets selling out in only one week! All proceeds benefitted Inspira Health's COVID-19 Recovery Fund. We awarded \$15,000 in prize money, with drawings taking place every Thursday throughout July, August, and September.

Congratulations to the following winners:

DATE	PRIZE	WINNER	TICKET #
JUL 8	\$500	Sherry Tomlinson	731
JUL 15	\$500	Tonya Brown	761
JUL 22	\$500	Maureen Sacchetti	50
JUL 29	\$500	Irene McNellis	802
AUG 5	\$1,000	Deanna Smith	630
AUG 12	\$1,000	Erin Swanson	801
AUG 19	\$1,000	Laura Goss	676
AUG 26	\$1,500	Lynn Dick	352
SEP 2	\$1,500	Karen Stoms	53
SEP 9	\$2,000	Stacey Lawlor	408
SEP 16	\$2,000	Sally Molter	824
SEP 23	\$3,000	Kelli Purtell	782

Thank you, again, to our Inspira Health auxiliaries for their continued support!

Offering Support Through a Family's Grief

We likely all know someone who has had a miscarriage, stillbirth, or loss of a child – many have even experienced this devastating loss firsthand. Families often grieve in silence, feeling that others don't understand their loss.

To better support Inspira patients and families experiencing the loss or miscarriage of an infant, our Foundation team partnered with the network's Maternity Department to establish the Perinatal Bereavement Program. This program provides patients and families with support through their grief and the opportunity to remember their babies, by providing:

- Memory boxes and keepsakes with pictures of the family with their infant
- Books, such as "When Hello Means Goodbye", "We Had an Angel Instead", "The Invisible String", and "My Siblings Still"
- Resources for grandparent grief, sibling grief, friends and family, stillbirth, miscarriage, etc.

This program means a lot to the families, but unfortunately, many people don't know about it until they are living it. Your support will allow this vital program to continue and grow, offering families support through this critical time.

Foundation and Organization Donors

Inspira Health Foundation gratefully acknowledges the following foundations and organizations for their generous contributions of \$250 or more within the calendar year (1/1/2021 – 12/31/2021).

Inspiring Philanthropy, Enhancing Healthcare

Our ability to provide the highest-quality health care simply is not possible without donors like you! Your leadership and contributions make a profound impact on our patients, programs, and community.

Thank you for your continued support! We look forward to working with you to lead our health care organization forward – this year and every year thereafter.

**To see your name among a list
of all supporters, please visit
InspiraFoundation.org/Impact**

Our Inspira Health Foundation team strives to provide accurate recognition of our donors. If you feel that there has been an error or omission, please contact the Foundation office at 856-535-9405 so that we may correct your records. Thank you for understanding.

***inspira* HEALTH | FOUNDATION**

INSPIRA HEALTH FOUNDATION, FEDERAL TAX ID#22-2333409, IS A NOT-FOR-PROFIT 501 (C) (3) ORGANIZATION. INFORMATION FILED WITH THE ATTORNEY GENERAL CONCERNING THIS CHARITABLE DONATION AND THE PERCENTAGE OF CONTRIBUTIONS RECEIVED BY THE CHARITY DURING THE LAST REPORTING PERIOD THAT WERE DEDICATED TO THE CHARITABLE PURPOSE MAY BE OBTAINED FROM THE ATTORNEY GENERAL OF THE STATE OF NEW JERSEY BY CALLING 973-504-6215. REGISTRATION WITH THE ATTORNEY GENERAL DOES NOT IMPLY ENDORSEMENT.

Mission Statement

Inspira Health is a charitable non-profit health care organization that seeks philanthropic support to provide a safe and compassionate patient experience, while improving the health and well-being of our community.

Through its Foundation, philanthropy is inspired by the creation of programs and services that support our patients, advance cutting-edge technology, and fund facility enhancements to enrich the health and wellness of our community.

2021
