

ABOUT INSPIRA HEALTH

Inspira Health is a charitable nonprofit health care organization serving communities across southern New Jersey. The organization, which traces its roots to 1899, comprises three hospitals, two comprehensive cancer centers, several multi-specialty health centers, and a total of more than 200 access points. These include urgent care, outpatient imaging, rehabilitation, numerous specialty centers such as sleep medicine, cardiac testing, digestive health and wound care, home care and hospice, and more than 30 primary and specialty physician practices in Gloucester, Cumberland, Salem and Camden counties.

Together with its medical staff of more than 1,100 physicians and other care providers, as well as more than 6,000 employees, Inspira Health provides evidence-based care to help each patient achieve their best possible outcome. Accredited by DNV Healthcare, the network's clinical support staffs are focused on providing quality care in a safe environment.

Diversity, Equity, and Inclusion Statement

- Inspira strives to create an environment in which the uniqueness of each person, whether employee, patient, physician, volunteer, or visitor is valued, and where everyone is treated with dignity and respect. An inclusive workplace culture can be achieved by respecting variations in racial, ethnic, gender identity, cultural, socio-economic, national, and international backgrounds, employee personality and work style.
- Inspira is committed to demonstrating compassion and understanding for diverse cultures, where talents and skills of all employees are respected and valued for maximum personal and business success. We want to ensure that our organization is proficient in diversity and cultural competency, that each of us respects the rights of patients and each other, and that our diversity initiatives support and reflect the community we serve.
- We want to continue to build loyalty, pride, and an honest, fair, and ethical culture. We are stronger as an organization when we respect these values.

PHARMACY RESIDENCY PGY-1 VINELAND

WHY CHOOSE INSPIRA?

The Department of Pharmacy Services at Inspira Medical Center Vineland is dedicated to excellence in pharmaceutical care. Through integrating dispensing and clinical services, our team of experienced professionals provide high-quality patient care. Inspira's Pharmacy Residency offers a comprehensive pharmacy program based out of Inspira's largest medical center, which is conveniently located between Philadelphia and the Jersey shore.

PROGRAM DESCRIPTION

The post-graduate year-one pharmacy residency program builds on the Doctor of Pharmacy degree. Residents who successfully complete our program will be skilled in diverse patient care, practice management, leadership, and education, and be prepared to provide patient care, seek board certification in pharmacotherapy, and pursue advanced education and training opportunities including post graduate year two residencies. Inspira's Pharmacy Residency Program at Inspira Medical Center Vineland is accredited by the American Society of Health System Pharmacists (ASHP).
