Thanks to you and countless others, the year 2020 more than exceeded our expectations. Inspira Health had entered the year focused on expanding services and continuing its commitment to delivering high-quality care. No one could have expected that, come March, we would face unprecedented challenges – not only for our hospitals, but for our community, our country, and the world.

The COVID-19 pandemic presented many obstacles and propelled health care into the global spotlight, shining a bright light on the significance and impact of compassion and generosity. Philanthropy became critically important to fighting the virus and healing our region. Our staff, community members, and corporate partners rose to the challenge, coming together and supporting one another like never before.

In the pages that follow, you will see how proud we are of how our region – our Inspira family – responded in the face of the pandemic. You will also see accomplishments that may have been overshadowed in such an extraordinary year.

We welcome our 800+ new donors and offer our heartfelt gratitude to all of you who have helped Inspira Health Foundation raise a total of $9.4 million in 2020. Your contributions can be seen at work in our community, Cancer Centers, educational scholarships, and in our neonatal intensive care units. Your contribution is an investment your future health care. We celebrate you, our Inspira Health Foundation donors, and thank you for having taken an active role in helping to guarantee that the highest quality care is available right here in your backyard.

We look forward to the day we can come together and honor you in person for supporting Inspira in providing high quality health care in South Jersey. Until then, be well.

With Gratitude,

Gary Galloway  
FOUNDATION BOARD CHAIR

DEC. 17
First COVID-19 vaccines arrive at Inspiria Health
In early 2020, our world was confronted with the COVID-19 pandemic. This pandemic deepened a movement of generosity – inspiring people to give and celebrate the heroes on the frontline. It reminded us that we each depend on, and have an obligation to support, the strength and resilience of our local community. More than ever we recognized the value of our community members who support our patients and health care professionals.

Many community members asked how they could support Inspira's efforts to fight COVID-19 and show gratitude for frontline health care heroes. In response, Inspira Health Foundation established the COVID-19 Emergency Response Fund to assist where it matters most — right here in our community. This fund helped our region respond to and recover from the COVID-19 pandemic by:

- Increasing capacity for vaccinating, testing, and care
- Providing necessary PPE and medical equipment
- Funding medical care for patients who are not covered by insurance
- Completing infrastructure projects to accommodate the surge of patients
- Supporting staff members working around the clock
- Purchasing medical-grade freezers to store the COVID-19 vaccines

In 2020, we received more than 1,200 gifts to the COVID-19 Emergency Response Fund, resulting in more than $250,000 cash donations and an additional $620,000 in-kind gifts making a significant and lasting impact on combating the Coronavirus.

I am inspired by the work of my colleagues every day, but now more than ever. We’re being challenged daily – but we remain committed to putting the health and safety of our patients, employees, and community members first... Today, tomorrow, and for each day to come. You enable us to do that.

- Terri Spoltore
  VICE PRESIDENT OF PATIENT SERVICES
Members of the Inspira Medical Center Vineland care team and hospital leadership gathered safely to provide a joyful send off to Daniel Hickey of Pittsgrove, following his successful recovery from COVID-19.
LEAVING A LEGACY

Inspira has enjoyed tremendous expansion during the last decade largely because of now retired President and CEO John DiAngelo's passion and focus on innovation, clinical excellence, corporate growth, and a commitment to the health and wellness of our community. He paved the way for Inspira Health to grow as a regionally recognized health system and ultimately changed the way health care is delivered in the South Jersey region.

After twenty years with Inspira (six as President and CEO) John DiAngelo retired in September of 2020. To honor his legacy drive innovation and growth, Inspira Health Foundation established the DiAngelo Innovation Fund.

Under DiAngelo’s leadership, Inspira has undergone tremendous advancement and expansion, leading the network into the next generation of transformative health care. During his tenure he has:

- More than **DOUBLED** access points
- **EXPANDED** Inspira Medical Center Vineland
- Established a **$1 MILLION INNOVATION FUND**
- **LAUNCHED** the Innovation Center
- Spearheaded a new **STATE-OF-THE-ART** medical center in Mullica Hill
- Led Inspira’s pursuit of becoming a **HIGH RELIABILITY ORGANIZATION**
- Supported initiatives that **STRENGTHEN AND EMPOWER** residents of South Jersey
- **TRANSITIONED** the network from 18 different software applications to a single electronic medical records (EMR) system
- **BUILT PARTNERSHIPS** with other health care organizations throughout the region
The DiAngelo Innovation Fund provides resources that support innovative health care solutions such as investing in innovative technology, advancing research projects, recruiting and retaining the physicians of tomorrow, and finding new ways to empower and engage patients right here in our community. We are thankful to the more than 270 donors who contributed $284,236 to the DiAngelo Innovation Fund and honored John DiAngelo’s dedicated service to Inspira Health.

“

It’s rare to find an outstanding health care leader like John DiAngelo. His unwavering commitment to improving the health of the South Jersey community has positioned Inspira as a regional health care leader. It’s been my great pleasure to work with John for many years, and on behalf of the board of trustees, I want to thank John for his extraordinary dedication and contribution to Inspira for two decades. He has truly led the way toward a stronger health care future for South Jersey.

– Michael McLaughlin
FORMER CHAIRMAN OF INSPIRA HEALTH’S BOARD OF TRUSTEES

"
I am honored to be serving as your President and CEO and truly humbled to have been so warmly welcomed into the Inspira family and the local community. I remain in awe of the tireless dedication of our physicians, nurses, and staff during this unprecedented year and I have been greatly inspired by the kindness of others during the pandemic.

I have spent nearly three decades in health care in New Jersey, most recently focused on patient and family engagement. What sets Inspira apart from others is our commitment to the patient experience and providing high-quality care. As a non-profit health care organization, Inspira relies on philanthropic support to go that extra mile to truly be there for our patients. By investing in Inspira, you are ensuring access to quality health care for you and your loved ones for generations to come and I could not be more grateful.

Inspiria is thankful for every member in the Journey of Life – whether you are a member of the Inspirator, Evergreen or Perennial Societies pledging annual support, or if we are receiving your gift in the future through our Heritage Society, your support demonstrates just how committed you are to providing the highest quality of care close to home, to offering the latest technologies, and to ensuring our patients are cared for by the most talented physicians and nurses in the region.

This is a pivotal moment for health care organizations around the nation and with your continued support Inspira will be well-positioned to expand access to care and meet the health wellness service needs of our community. This is the groundwork for an innovative health care network committed to delivering a superior patient experience... I look forward to building on that foundation for our patients and for all of you.

Thank you again for your unwavering support. It is a privilege and an honor to serve you and the South Jersey community.

Until we may have the opportunity to meet, stay safe and be well.

Amy B. Mansue
PRESIDENT & CEO
The Journey of Life is a passionate and committed group of supporters made up of patients, physicians, employees, corporations, foundations, and community members who have created a lasting impact on the health care of our community. Their philanthropic leadership improves the lives of all Inspira Health serves and ensures our South Jersey region has all its health care needs fulfilled.

The Inspirator Society is Inspira Health's annual giving society that proudly recognizes those who have given a charitable amount of $250 or more to any fund between January 1, 2020 and December 31, 2020.

Aiding Hungry Families

With the help of local food banks in Gloucester and Cumberland counties, Inspira Health has supported the opening of food pantries at three local schools. These pantries have provided almost 5,000 families with healthy food and nutritional tips.

“

Inspira has been instrumental in enabling us to have a food pantry at the Child Family Center. The partnership with Inspira has been amazing and so rewarding to our families. It started with 10 families and has now grown to, at times 300 families.

— JoAnn Deckert Burns
Principal, Millville Child Family Center

Good Health Starts with Great Food

Inspira teamed up with the Food Bank of South Jersey and the Community FoodBank of New Jersey to open food farmacies at its health centers in Bridgeton and Woodbury.

HOW IT WORKS

Inspira staff identifies patients who face food insecurity and connects them with one of the two food farmacies. There, patients meet with a registered dietitian and have the opportunity to stock up on fresh fruits, vegetables and other nutritous options that are appropriate for any medical conditions they might have. Regularly scheduled meetings with the dietitian are then arranged, providing nutritious food at each meeting for up to one year.

“If you impact what people eat, you can impact chronic disease.”

— Alka Kohli, M.D
EXECUTIVE VICE PRESIDENT & CHIEF CLINICAL AND POPULATION HEALTH OFFICER, INSPIRA HEALTH
The Evergreen Society recognizes those whose cumulative lifetime giving has reached extraordinary levels to help secure the future of health care for the southern New Jersey region.

Delivering “Meds to Beds”
In September, Inspira Health opened Retail Pharmacies at Inspira Medical Centers Vineland and Mullica Hill. These pharmacies allow patients to conveniently fill their prescriptions before leaving the hospital and, in some cases, even have them delivered directly to their bedside.

We know that one of the top reasons that patients are readmitted to the hospital is lack of medication compliance. Providing their medications and educating them prior to discharge increases the likelihood that patients will follow their medication regimen, and it decreases their chance of readmission.

– Amy B. Mansue
PRESIDENT & CEO, INSPIRA HEALTH
Honoring Inspira Health's most loyal donors, the Perennial Society recognizes those who support Inspira consecutively within each calendar year (1/1 – 12/31). Gifts of all sizes and to any area of Inspira Health are recognized.

Events
The annual Golf Tournament at Seaview Hotel & Golf Club and the Golf Classic at Tavistock Country Club, both presented by Archer Law, served as much-needed opportunities for our Inspira supporters to enjoy a day of golf and friendly competition. With health and safety protocols in place, the Seaview Golf Tournament exceeded expectations by raising over $200,000 and the Tavistock Golf Classic also surpassed goals by raising more than $155,000 to help support the health and wellness of South Jersey communities.

Inspira Staff is “ALL in!”

Inspira employees all share one commonality – they are ALL proud to serve our community and provide the best possible health care experience for local families! The 2020 Employee Giving campaign was about coming together, being “ALL in!”, and putting valuable resources behind ideas and programs that change the way Inspira approaches care. Thanks to more than 400 employee donors, the 2020 campaign raised more than $91,000 to support employee-identified projects and impact our network’s greatest needs.
Heritage Society

In the history of giving to Inspira Health, planned gifts have become a significant source of philanthropic support. Planned gifts allow donors to make a meaningful impact today toward our community’s healthcare needs of tomorrow. To recognize those who understand the important legacy a planned gift creates, Inspira Health Foundation established the Heritage Society. Your far-sighted generosity benefits the community we serve and helps sustain Inspira Health for generations of growth and medical advancements.

Expanding the Geographic Scope of Inspira’s Cancer Program

The new Leading-Edge Cancer Center at Inspira Medical Center Mullica Hill offers comprehensive cancer care and specialists all under one roof. By locating our entire oncology team in one space, patients who need to see multiple specialists will be able to do so in one visit, in one location and possibly even in just one exam room.

Together, Mullica Hill’s Leading-Edge Cancer Center and Vineland’s Frank and Edith Scarpa Regional Cancer Pavilion are bringing top-of-the-line cancer treatment, new technologies, cutting-edge clinical trials, and support services to patients close to home.

Having all the specialists in one location will allow for more formal and informal collaboration among our clinicians and provide our patients with the ability to come here and see more than one specialist on a single visit. This will reduce the number of trips needed for their care.

– Erev Tubb, M.D.  
MEDICAL DIRECTOR OF THE CANCER CARE PROGRAM IN MULLICA HILL

Nursing Education Fund

Janet Evelyn Davies, age 64 of Mount Laurel, NJ, passed away on Sunday, September 27, 2020. Janet was Vice President of Patient Care Services at Inspira Health and was passionate about developing the most caring and skillful nurses. In lieu of flowers, Janet requested donations be made to Inspira’s Nursing Education Fund. The Nursing Education Fund provides educational and professional development opportunities to Inspira nurses looking to further their experience.

The Heart House
Warmuth Institute of Dermatology
Inspira Health Foundation gratefully acknowledges the following foundations and organizations for their generous contributions of $250 or more within the calendar year (1/1/2020 – 12/31/2020).

Carnivale Grande
Inspira Medical Center Mullica Hill now welcomes patients and visitors with a one-of-a-kind, hand-blown glass sculpture donated and created by Jane and Peter Galetto, Jr. Named and inspired by Italian festivals, “Carnivale Grande” took more than 550 hours to create. This vibrant masterpiece was created during the COVID-19 pandemic and was dedicated by the Galettos to the Inspira staff for their tireless efforts caring for those afflicted with coronavirus. This exceptional work of glass art complements the “Journey to a Better Life” sculpture, also created and donated by the Galettos, which hangs inside the lobby.

INSPIRING PHILANTHROPY, ENHANCING HEALTHCARE

Our ability to provide the highest quality health care simply is not possible without donors like you! Your leadership and contributions make a profound impact on our patients, programs and community.

To see your name among a full list of all supporters, please visit inspirafoundation.org/impact

Thank you for your continued support! We at the Inspira Health Foundation look forward to working with you to lead our health care organization forward – this year and every year thereafter.
inspira HEALTH is...

a non-profit health care organization that seeks philanthropic support to provide the highest-quality care which improves the lives of all we serve.

Through its Foundation, philanthropy is inspired by the creation of programs and services that support our patients, advance cutting-edge technology, and fund facility enhancements to enrich the health and wellness of our community.
