The Inspira LIFE Center

The **LIFE Centers** are located in both Vineland and Williamstown and are the heart of **Inspira LIFE**. While at the center, participants can socialize or participate in activities with friendly staff and other local seniors. At the same time, participants can interact with members of their care team, enjoy nutritious meals, attend recreational outings, and much more.

The **Inspira LIFE Centers** offer one location where doctors, nurses, and other health care professionals can deliver treatment and monitor changes in an individual's health. **Inspira LIFE** provides support so that seniors can live independently. Transportation to the center and medical appointments is provided. Participants will attend the center that is most convenient to them.

Who Pays for Inspira LIFE?

Inspira LIFE accepts Medicare, PACE Medicaid or private payment. How does a participant enroll?

An **Inspira LIFE** enrollment specialist will meet with the potential participant, family member or caregiver in their home to provide a detailed understanding of the program. The specialist will do a screen of eligibility and schedule an assessment visit with the team of health care professionals so that potential participants can meet all the departments and tour the center ahead of time. Participants receive a medical evaluation and an individual plan of care is created. **Inspira LIFE** assists with the enrollment paperwork. Enrollment is voluntary and participants may disenroll at any time.
